End to end voice and data solutions

Ardent has been providing IT and communications solutions to businesses in Kent for over 10 years.

Founded by a group of professionals from IT, voice, networks and cabling industries, our goal was **to provide outstanding IT & Communications solutions to local businesses.**

A decade on, our goal remains the same – *but our services are more comprehensive than ever.*

The recent amalgamation of Ardent IT and APC Data Installations has enabled us to offer **total end-to end IT Voice & Data solutions** – whatever the size or nature of your business.

Whether you want to make the most of your existing network, expand your communications functionality, or even explore a brand-new, completely bespoke solution, **Ardent will develop a first-class, cost-effective solution that is the perfect fit for your business.**

Find out more about our services – or talk to one of our team today to find out how we can help you by calling **01227 774850.**
